Stephanie:

WW will forward them overnight to Scott - What is his mailing address?

Seven DVDs with data packages were sent to Sharon Budney/CDM and she confirmed receipt on September 23, 2011.

Thank you.

Hi Rob,

Could you please send us the laboratory data packages associated with the 2010 Small Forage Fish Tissue Chemistry Data Report, the Fall 2009/2010 Benthic Sediment Chemistry Data Report, the Fall 2009 Benthic Bioaccumulation Tissue Data Report and the Fall 2009 Benthic Toxicity Data Report?

The complete data packages may have been submitted on disk previously, but we were going through our files and cannot locate them.

Thanks,

Stephanie
